

Bruno Salcedo

Department of Economics, Western University
4058 SSC, London, Ontario, N6H 5E2, Canada, tel: (519) 612-1111
brunosalcedo.com · bsalcedo@uwo.ca

- Position**
- *Assistant Professor*, Economics, Western University, 2018–
 - *Postdoctoral Associate*, Economics, Cornell University, 2016–2017
- Education**
- *Ph.D. in Economics*, Penn State, 2010–2016
 - *B.S. in Applied Mathematics and Economics*, ITAM, 2005–2010
 - *Partial Studies in Electrical Engineering*, University of Houston, 2003–2004
- Publications**
- *Discerning Solution Concepts*, with Nail Kashaev
Journal of Business & Economic Statistics 39(4):1001–1014
 - *Ordinal dominance and risk aversion*, with Bulat Gafarov
Economic Theory Bulletin 3(2):287–298
- Working Papers**
- *Persuading Part of an Audience*
Revision requested by Theoretical Economics
 - *A Bailout-Crisis Game*, with Bruno Sultanum and Ruilin Zhou
Revision requested by the European Economic Review
 - *Interdependent Choices*
 - *Pricing Algorithms and Tacit Collusion*
- Research in progress**
- *An Algorithm for Multidimensional Stochastic Games*, with Bruno Sultanum
 - *How Humans Play Chess: a Model Behavioral Limited Attention.*

**Teaching
experience**

Graduate courses:

- Microeconomic Theory II (UWO, 2020, 2021, 2022, 2023)
- Industrial Organization (UWO, 2018)
- Decision Theory (Cornell, 2017)
- Mathematical Economics (Cornell, 2016, 2017)

Undergraduate courses:

- Honors Intermediate Microeconomics II (UWO, 2018, 2020–2024)
- Advanced Applied Econometrics I (UWO, 2022–2024)
- Politics, Philosophy, and Economics (UWO, 2022–2024)
- Principles of Microeconomics (UWO, 2024)
- Seminar in Politics, Philosophy, and Economics (UWO, 2024)
- Microeconomic Policy Analysis (UWO, 2024)
- Intermediate Microeconomics I (UWO, 2020)
- Game Theory (Cornell, 2017)
- Introduction to Econometrics (PSU, 2013, 2014, 2015)
- Knowledge, Beliefs & Rationality (NES, 2013)
- Decision Making and Strategy in Economics (PSU, 2012)

**Migration
status**

- Canadian and Mexican citizen, Italian spouse

**Graduate
Students**

- Mingshi Kang—Assistant Professor of Economics at Jinan University
- Henk Schouten—Assistant Professor of Economics at Uppsala University
- Duhyeong Kim—Assistant Professor of Economics at Kent State University

**Seminars &
Conferences**

- *Excess Audience*—CEA Annual Conference (Banf, 2019), CETC (Montreal, 2019), NASMES (Seattle, 2019), ITAM Alumni Conference (ITAM, 2017), UC Davis, Université de Montréal, McMaster, GAMES (Budapest, 2021)
- *Pricing Algorithms and Tacit Collusion*—SEA Annual Meeting (Tampa, 2017), International Conference on Game Theory (SBU, 2016), Pennsylvania Economic Theory conference (poster, PSU, 2016), Cornell, Warwick, Western, Collegio Carlo Alberto, ITAM, CU-PSU Macro workshop (Cornell, 2015)
- *Discerning Solution Concepts*—International Conference on Game Theory (SBU, 2015), World Congress of the Econometric Society (Montreal, 2015), NASMES (Minnesota, 2014)
- *Ordinal Dominance and Risk Aversion*—International Conference on Game Theory (SBU, 2014), Midwest Economic Theory Meetings (IUPUI, 2014)
- *Interdependent Choices*—PERC conference (PSU, 2012), Midwest Theory Meetings (MSU, 2013), International Conference on Game Theory (SBU, 2013), AMES (NUS, 2013), LAMES (Colmex, 2013)
- *AI Algorithm for Multidimensional Dynamic Games*—Algorithmic Game Theory Summer School (poster, CMU, 2012)

Refereeing

- CJE, Games, JET, JDEC, QJE, Econometrica, AER, AEJ: Micro, NSF
